## Make XK Yours

Elegant and powerful, XK8 and XKR deliver on the promise of Jaguar's prestigious heritage. It's a heritage that has fostered personal driving experiences. Jaguar's comprehensive collection of XK accessories has been developed to enhance the personal connection to your vehicle.

Whether personal convenience items, such as custom cellular phones, or aesthetic considerations, such as wheel styles, XK accessories have been thoughtfully developed to complement your time behind the wheel. The range of accessories permits you to outfit your Jaguar like no other.

More than choice, Jaguar accessories come with the assurance that your vehicle will be fitted with factory-approved components that are designed specifically for the XK line. And with dealer installation, personalizing your XK8 or XKR is not only enjoyable, it is convenient.

Just like the XK, Jaguar accessories are functional and stylish. We invite you to select the accessories that will make your time behind the wheel even more personal. Your dealer can answer any questions regarding model-year compatibility or installation.

Make your Jaguar more personal. Make it yours.

## WHEELS

Create an identity for your XK that's exclusively yours. Jaguar's collection of elegant, contemporary road wheels offers style, strength and the assurance that you're investing in factory-approved components. Each wheel was designed by Jaguar stylists to complement the XK, and engineered to the same stringent requirements as standard equipment wheels.

NOTE: Wheels may require different tires. Consult your dealer for complete details.

## TRUNK RACKS & CARRIERS

Jaguar knows your lifestyle interests can be larger than your XK's trunk. Whether it's mountain biking, skiing or snowboarding, Jaguar has a cargo carrier to match your outdoor passion. Start with the basic Trunk Rack, which serves as a convenient carrier of large items and the mounting location for several specialized carriers — choose from two bicycle carrier designs, as well as a versatile ski and snowboard carrier. (The basic trunk rack must be used with bicycle and ski/snowboard carriers.)

### 1 TRUNK RACK — BASIC CARRIER

A sturdy cargo platform that attaches easily to your XK's trunk lid, this versatile rack also serves as the foundation for Jaguar's Bicycle Carrier and Ski/Snowboard Carrier (listed below). Trunk Rack fits XK Coupe and Convertible, and features an integrated brake light. Consult dealer for installation.

C2S 4479

### 2 SKI/SNOWBOARD CARRIER

Versatile and accommodating, Jaguar's Ski/Snowboard Carrier can carry three pairs of skis, or two pairs of skis and one snowboard, or two snowboards, or one surfboard. Carrier attaches to the Trunk Rack Basic Carrier (above). XK Trunk Rack can accommodate one Ski/Snowboard Carrier.

C2S 4506

### 3 BICYCLE CARRIER — SINGLE

Lockable carrier holds a single road bicycle or mountain bike in upright fashion, including a provision to mount and lock the front wheel. Bike Carrier attaches to the Basic Carrier (above). XK Trunk Rack can accommodate two single Bicycle Carriers.

C2S 4501

### 4 BICYCLE CARRIER — DOUBLE

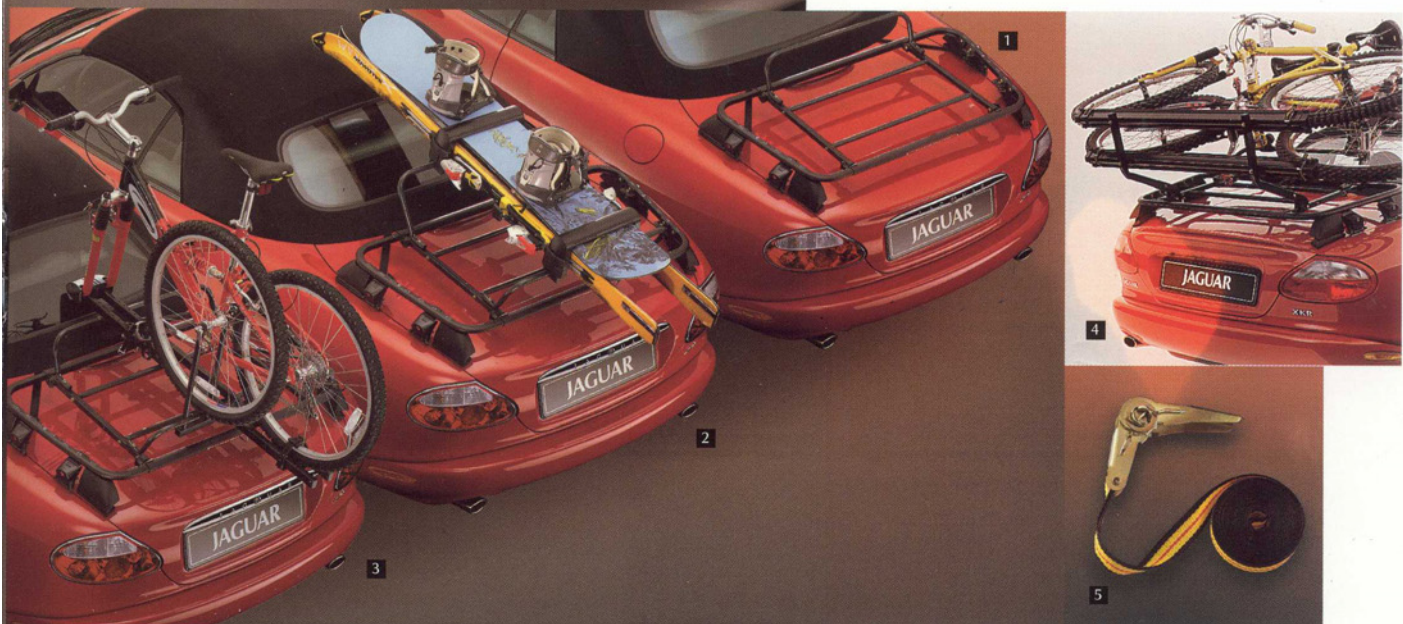

A unique carrier that transports up to two road bikes or mountain bikes in a horizontal fashion. Easy-to-load holder is lockable and fits most bicycles. Bike Carrier attaches to the Basic Carrier (above). XK Trunk Rack can accommodate one double Bicycle Carrier.

C2S 4502

### 5 TRUNK RACK STRAP

Strong and durable, this strap features a ratcheting mechanism for easier, more secure loading of cargo. Multiple straps can be used with Jaguar's Trunk Rack. (Straps sold individually.)

JLM 11991

## INTERIOR STORAGE

Make the most of your XK's storage capability. Jaguar's clever accessories have untold uses and applications, whether securing luggage, or protecting your XK's trunk from wet or soiled cargo. Select and mix the accessories that best fit your driving and storage needs.

### 1 TRUNK "HAMMOCK" NET

Large, elasticized net provides secure, enclosed storage of items, while allowing easy access to remaining trunk space. (Fits 1998-and-newer vehicles.)

JLM 20518

### 2 TRUNK LID NET

Ingenious elasticized net mounts partially to trunk lid, securely covering and restricting the movement of stored items when trunk lid is closed, but providing easy retrieval when trunk lid is opened. (Requires Lifting Mechanism for installation.)

### 3 TRUNK FLOOR STRAP

Flexible and sturdy strap conforms to fit a variety of items, such as a briefcase, and restricts their movement when placed on the XK's trunk floor. (2001-and-newer models only.)

C2A 1235

### 4 STORAGE NET

A multipurpose, compact elasticized net that can be mounted in the trunk or passenger compartment. Use it for a variety of needs, such as holding small items or drink bottles. XK can accommodate more than one net.

C2A 1057

### 5 TRUNK FLOOR LINER

Matching the contours of the XK's trunk, this one-piece liner protects the trunk floor from the elements and soiled cargo. Constructed of durable ABS plastic, the Trunk Floor Liner is easily removed for cleaning, and also comes with a non-slip mat.

### 6 TRUNK MAT

Attractive, top-quality mat resists the elements and protects the original carpeting beneath. Custom-fit for the contours of XK's trunk.

C2S 4503

### 7 LUGGAGE RETAINERS

Convenient, versatile chocks with bottom Velcro fasteners can be positioned anywhere on the trunk floor to prevent luggage, or other rectangular items, from shifting while the vehicle is in motion. (Retainers sold in pairs.)

C2A 1054

### 8 EXPANDABLE TRUNK STORAGE

Clever containers mount and store unobtrusively on trunk floor until needed, then pop up to form useful 16" x 12" x 6.5" (40cm x 30cm x 16cm) bins. Containers are sold separately and are stackable. XK trunk can accommodate four containers.

## EXTERIOR PROTECTION & LICENSE PLATES

The ravages of Mother Nature, as well as parking garages and simple road travel, can conspire against your XK's exterior appearance. Protect it against these elements with Jaguar's Exterior Protection accessories, and preserve your vehicle's new appearance longer.

### 1 ALL-WEATHER CAR COVER

Custom fit for your Jaguar, this breathable cover protects against the outdoor elements and indoor dust. Cover folds easily for storage.

### 3 CHROMED DOOR MIRROR COVERS

Add a dash of distinction to your XK. Chrome covers fit on existing mirrors of all XK models. Consult your dealer for installation.

JLM 12348

### 4 FRONT HOOD PROTECTOR

Guard the front of your XK from flying stones and insects. Jaguar's durable vinyl Front Hood Protector fits snugly around the front end of the vehicle, providing a heavy-duty boundary against road debris. Soft felt underside protects the paint finish from scratches. Fits 2001-and-newer models.

C2S 4496

### 5 SPLASH GUARDS

Contoured specifically for the XK, these tough, molded guards protect your vehicle's paint finish from stones, mud and other road debris. (Front and rear guards sold separately.)

## DRIVING ACCESSORIES

Equipping your XK for the specialized needs you encounter every day is one of the best ways to make your driving experience more personal. Items such as Jaguar's Tool Kit and Bulb & Fuse Kit provide on-road preparedness, while Snow Chains and the Engine Block Heater offer assistance in chilly climes. Select the accessories that reflect your driving needs and make your XK all the more personal.

### 1 AUXILIARY POWER SOCKET

A convenient 12-volt power source mounted in your XK's trunk or glove box. Use with items such as a portable air compressor to inflate bicycle tires or Jaguar's Rechargeable Flashlight. (Consult dealer for installation.)

C2A 1078

### 2 BULB & FUSE KIT

A collection of common automotive fuses and small lightbulbs found in your XK. Store this compact kit in your vehicle for quick, immediate changes.

JLM 20117

### 3 COOL/WARM CASE

Roomy and versatile, this insulated case keeps contents either warm or cool. Simple plug-in operation is perfect for preserving food and beverages on a long drive or a local picnic. Case plugs into 12-volt power socket. (Trunk-mounted Auxiliary Power Socket and Luggage Retainers recommended for trunk installation.)

C2S 1006

### 4 ENGINE BLOCK HEATER

For use in cold climates, Jaguar's Engine Block Heater warms engine and oil for improved cold starts. Simply plugs into a 110-volt power outlet. (Standard equipment in Canada.) Consult dealer for vehicle installation.

JLM 20716

### 5 INCLINATION SENSOR

An effective theft deterrent, Jaguar's Inclination Sensor detects whether the vehicle has been raised without authorization, such as a tow or jacking. Sensor prevents engine starting and initiates vehicle's security system when activated.

### 7 CONVERTIBLE WIND DEFLECTOR

Make the drive in your XK Convertible more comfortable. Easily fitted deflector mounts behind front seats, reducing wind buffeting and noise when driving with the top down. When not in use, the Wind Deflector stows in an included bag that fits neatly in the trunk.

C2N 2266

### 8 RECHARGEABLE FLASHLIGHT

A compact, pocket-size light that is always ready to go. Plug-in design mounts in the glove box power socket and charges whenever the engine is on.

C2S 1644

### 9 SNOW CHAINS

Required equipment in some areas, Jaguar's unique "Spike Spider" traction design provides high grip on snow, ice or mud. Adjustable design fits all XK tire sizes for easy roadside installation. (Kit contains two chains. Contact dealer for applicability.)

JLM 20846

### 10 TOOL KIT

For unexpected needs on the road, this handy multipurpose collection of tools includes an adjustable wrench, screwdriver (with interchangeable heads), pliers and even a compact flashlight. Zippered carrying case is compact and stows almost anywhere.
